

Nestucca Valley Sanitary Service Short Term Container Contract

The undersigned has read and is aware of the following conditional use for a Short Term Container while renting from Nestucca Valley Sanitary Service (NVSS). Misuse in regards to contents, vandalism or container placement may/will result in additional fees/fines levied by NVSS and/or other authorized regulatory agencies.

Terms of the Contract

A deposit will be required prior to delivery and will include: Delivery/set up/return fee; rental fee for up to 30 days; and first disposal fee based upon the size of the container.

The rental may **not** exceed four weeks or one calendar month.

There must be one disposal **every two weeks** within the above time period. Containers must be placed on hard level ground such as asphalt/concrete or, an 8-foot by 4-foot piece of plywood on gravel/dirt/grass for maneuvering. Containers are not to be moved from where NVSS has agreed to place them at the time of delivery.

Items placed into the container must fit in completely and may not protrude from the top. Lids must close flat to the container when full.

Items NOT Allowed in Container

Heavy construction debris (drywall/composition roofing);
Paint or paint cans (unless empty & dry inside); petroleum oils;
lacquers/stains; batteries/ tires/ toxins.

If any of these items are found there will be a \$200 charge added.

Full payment is due upon receipt of bill.

A finance charge will be calculated on the balance after 10 days.

A \$25.00 returned check fee applies to all NSF checks.

I/We agree to the above requirements for container rental from NVSS.
